WILLIAM KEHOE RECEIVES LIFETIME ACHIEVEMENT AWARD FROM OPTIONS INDUSTRY

ISE Consultant Recognized for Achievements

NEW YORK, May 3 – At the 17th Annual Options Industry Conference in Carlsbad, CA last week, the Committee On Options Proposals (CO-OP) selected Bill Kehoe of the International Securities Exchange (ISE) to receive its annual Lifetime Achievement Award.

In bestowing this prestigious award, Mike Schwartz (CO-OP chairman) cited Kehoe's lasting contributions to the options industry and its success, his leadership in solving problems created by the 1987 market correction and his co-founding of CO-OP. Kehoe recently retired from Merrill Lynch and in January joined the ISE as a consultant to its marketing efforts.

"I am fortunate to have participated in the options business during its formative years and have seen options grow to become a mainstream financial product," said Kehoe. "And now being a part of the ISE in re-shaping the future of this industry is more than one can hope for in a single career."

The award is of particular significance at this time since the equity options industry is currently at its peak of success: average daily contract volume and open interest are at record levels. Kehoe's efforts since the inception of the listed equity options market are recognized as fundamental building blocks for the industry's growth.

"We are happy that Bill has been formally recognized as a major factor in the growth of the industry," said Gary Katz, SVP marketing & business development and a founder of ISE. "I feel especially fortunate that Bill is contributing his experience and insight to ISE's marketing efforts."
